SUMMARY

Electrical engineering student at Michigan State University with hands-on experience in CAD design, embedded systems, and PCB layout. Seeking an internship to apply technical skills and collaborate on practical engineering solutions.

EDUCATION

Michigan State University, College of Engineering — East Lansing, MI Aug 2024 – Present
Junior, B.S. Electrical Engineering, Minor in Business | GPA: 3.739

TECHNICAL SKILLS

- Programming: Python, C
- Design & Simulation: AutoCAD, Autodesk Fusion 360, KiCad
- Lab & Tools: Arduino IDE, multimeters, function generators, oscilloscopes, Microsoft Excel
- Languages: English and Vietnamese (fluent, bilingual)

PROJECTS

- Macro Pad** — IEEE at Michigan State University Aug 2025 – Present
• Designed a 6-key macro pad PCB with a rotary encoder and OLED display, handling schematic capture and board layout in KiCad and firmware in Arduino IDE.
- CAD Phone Case** — EGR 100, Michigan State University Jan 2025 – May 2025
• Led a team to design and model a phone case in AutoCAD, balancing structural durability with a distinct visual design.
- Study App Prototype** — EGR 100, Michigan State University Jan 2025 – May 2025
• Collaborated with a team to design and prototype a study app aimed at MSU students.
- Circuit Lab** — ECE 203, Michigan State University Jan 2026 – May 2026
• Built and tested a temperature-controlled fan circuit with LED warning indicators on a breadboard, using multimeters, a function generator, and an oscilloscope for validation.

EXPERIENCE

- Employee** — Premium Matcha Cafe Maiko, Troy, MI Jun 2025 – Aug 2025
• Delivered friendly, efficient customer service in a fast-paced cafe environment.
- Cashier** — Kimchi Box, Madison Heights, MI Oct 2023 – Sep 2025
• Delivered customer service, processed transactions, and supported inventory management.
- Employee** — Beans To Bags, Auburn Hills, MI May 2021 – May 2024
• Managed logistics for coffee supply pickup and delivery, and collected customer payments.
- Receptionist** — Pro Nail & Spa, Auburn Hills, MI Jun 2020 – Sep 2025
• Delivered exceptional customer service and managed appointment scheduling.
- Volunteer** — Gift of Giving, Auburn Hills, MI May 2021 – May 2024
• Purchased winter necessities for families and children in need, collaborating with team members to optimize cost and efficiency.

INVOLVEMENT

- Member, MSU Society of Asian Scientists and Engineers — Aug 2025 – Present
- Member, Institute of Electrical and Electronics Engineers (IEEE) at MSU — Aug 2025 – Present
- Member, SEERACC (Non-Profit) — Jan 2024 – May 2024
